

Your Partner in Building Tomorrow's Workforce

The Ben Hudnall Memorial Trust (BHMT) is a resource available to KP managers to support you in providing career development programs and services that help you build your employee's skills, support their education goals, and encourage their career growth. We are here to help you exceed KPs career development program expectations with no impact on your budget.

BHMT Outreach Specialists, the BHMT Manager Website, and our Manager Portal provide access to resources designed specifically for KP managers. With these actionable career development tools, we will work with you to bring the customized skills training, team building programs, and continuing education opportunities that your employees need to achieve their career goals.
